Light-Duty Motor Vehicle Purchase of Lease Incentive Program
Information Request Forms for Manufacturers of New Light-Duty Motor Vehicles
Form 2 - List of Eligible New Light-Duty Motor Vehicles

This form should be used for new light-duty motor vehicles powered by CNG, LPG, hydrogen fuel cell or other electric drive (plug-in or plug-in hybrid) and certified to the current federal emission standards. This form should *not* be used for vehicles that are originally manufactured to operate on gasoline or diesel fuel, even if the conversion of the vehicle may occur prior to first sale of the vehicle. For more information about this form, refer to the *LDPLIP Manufacturer Information Request Forms Instructions for Completion and Submission*.

List up to 5 New Light-Duty Motor Vehicles per sheet
Complete and print as many copies as necessary
